FOREWORD

It was only one short year. One out of three, the start of a lifetime. But it was somehow special. Remember?

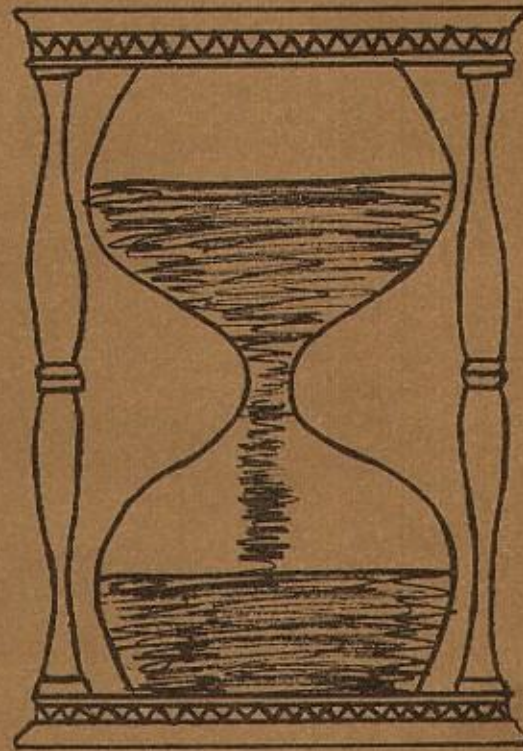

Finals.....Laughter.....Even tears.

But now it is only memories...a memory that is faded with the years. A year to remember....."a year to be remembered."

The school year 1968-69 saw the cost of education rise to a new high as the public's enthusiasm to pay reached a new low. For many administrators it became a year to forget rather than a year to remember as they dealt with priority and evaluation, racial imbalance, negotiations and teacher militancy, world-wide student activism, relocation caused by urban renewal, consolidation, identification of the gifted disadvantaged, talk of a longer school year and the formal education of three and four year olds.

In review, we count among our blessings, our School Board, teachers, pupils and a concerned public, as we realize many of the controversial problems have not yet become our own.

The first duty of government still remains the encouragement of education and the duty of financing is a must for the federal, state and local governments. The basic commitment should be to accept the challenge with an all out team effort.

We have watched the Class of 1969 progress toward emotional stability and maturity during some trying years. For them, their senior year should be a year to remember with much happiness and much thankfulness.

We all join in wishing them every success in their continuing education.

Francis Mullins

BOARD OF EDUCATION

Meeting on the second Monday of the month, board members decide policy, discuss the problems and business of providing education for the WPCS district.

Retirees

Evelyn Storrs

Helen Wight

George Wilcox

Bernice Wilcox

Four fine people who have been familiar faces at Whitney Point Central School bowed out during the past year.

Mr. George Wilcox retired in June 1967 after 26 years as Vocational Agriculture teacher at WPCS, with prior experience of 8 years at Greene and 3 at South Otselec. Mr. Wilcox taught 2 classes of Junior High Shop last year to fill in during the emergency, until a full time shop teacher was hired.

Mrs. Bernice Wilcox completed 33 years as fifth grade WPCS teacher in June 1968. Before centralization she had taught one year at Canestota, four in district schools and three in the old Whitney Point Academy.

Mrs. Evelyn Storrs left in November 1968, after serving as secretary to the Supervising Principal or Guidance secretary since 1952.

Mrs. Helen Wight was librarian at Whitney Point Central School from 1956 to 1968.

Osmer Brooks
Vice Principal

OSMER J. BROOKS

1968-69 was a "Year to Remember" to me because it was the completion of 35 years of a good life, (33 at Whitney Point Central) in the teaching profession. During that time I have made many friends, and also a few enemies, but the pleasure of working with young people has been rewarding and if I were able to choose a future at this time I am sure that I would make the same choice of a profession.

MRS. CORCORAN-A YEAR TO REMEMBER

For the seniors this has been a year to remember, as they have culminated their plans, projects and high school activities and now will face the future with success in proportion to their individual efforts and interests. For the sophomores the year has meant adjustment to a new school, new teachers, new activities and, hopefully, time well spent in their young adult world. For the juniors, there has been a sense of security because they got settled last year and have one more year to go. Then they will be the first class to really have used the new school for all their senior high years.

This year, the second full year for junior high students in their own building, has been a year for growth through action. The guidance program has offered opportunities for students to better understand themselves. Greater use of library facilities was accomplished. Several new activities such as dance and math club were organized to meet new interests. It is our hope that such growth will provide students with the understanding that responsibility to and concern for others accompanies rights and privileges for self.

We extend to the Senior Class of 1969 our best wishes for a happy and purposeful future.

C.E. Adams School

Due to a small but steadily increasing growth in enrollment, an extra section was added in grades one, two, and three. With seven sections, each class size has been smaller allowing for more individualized instruction. Provision also was made for extra instrumental music and an increase from half to full time speech therapy. On the other side of the picture the elementary school will suffer a great loss with the retirement of four veteran teachers at the end of this school year.

JACK BEVAN is custodian at C.E. Adams School. REBECCA TATE delivers mail to all buildings, drives bus and substitutes in 3 - 6 building for lady janitors.

Student Council

STUDENT COUNCIL

Student Council has gotten off to a good and prosperous year. The council is functioning under a new constitution providing for a public relations officer and separate club and class representatives.

The council has adopted a new two-fold philosophy; service to both school and community. Many separate projects encompass this new idea. The new student handbook, bulletin board, morning announcements, student-faculty debate and refreshment stand at home games. In a program to help others they became foster parents to a South Vietnamese child, ran a Kool-aid campaign for servicemen in Vietnam and collected money for some Christmas seals. Also the council has sponsored an assembly with the foreign exchange student Gunnar Friman, a Christmas color day and class skits.

The council has also been active this year on the state and district level. The council is a member of the National Association of Student Councils, the New York State Association of Student Councils, and District XI Chapter of the N.Y.S. ASC. The council also undertook the possibility of reformation of the Susquenango League.

"Gunnar, you do know the keyboard!"

EXCHANGE STUDENT

This year the Whitney Point Senior High School students were very happy to welcome Carl Gunnar Friman of Boras, Sweden, as this year's Rotary Exchange Student. During his stay, which lasted from August 1968 to July 1969, Gunnar had stayed with eight local families. Born November 28, 1950, Gunnar is the third of four children. While here, he has enjoyed both his academic and social life a great deal. His interests range from golf and skiing to McDonald's fast service. After the completion of his visit, he plans to complete his remaining year of high school and go on to a college.

Senior Band

SENIOR HIGH BAND

Senior High Band, besides supplying musical entertainment at various events, also helps to train students to perform in an instrumental music group, providing additional school spirit while giving its members an opportunity for a basic musical education. The band performed at all home football games, at the opening ceremonies of the new Route 81 and for the Halloween Parade at the C. E. Adams School. They supplied entertainment at the Senior Play, and furnished part of the music performance at the Dedication of the new Senior High Building. Their final public appearance of the year will be at the graduation ceremonies in June.

Twirlers

TWIRLERS

The Twirlers under the leadership of Majorettes Joan Glezen and Debbie Sorochinsky, marched with the Senior High Band in the Memorial Day Parade, and helped with half time entertainment at football games. Several of the girls also entertained with solo and dual routines at basketball games. The Twirling group helps its members to develop poise and personality as well as coordination through cooperation and group participation.

Color Guard

COLOR GUARD

The Color Guard presents the United States and school flags at all home basketball and football games. They marched in the Memorial Day Parade and displayed a new gold Band Flag in addition to the other two flags. This group helps to stimulate a sense of pride in school, community and country at parades and athletic events.

Chorus

JUNIOR HIGH SCHOOL CHORUS

Junior High Chorus is a preparatory singing group for the Senior Chorus. This year the Junior High mixed chorus, a combination of seventh, eighth, and ninth graders, performed in a Christmas Program, a late Winter Concert and a Spring Concert. Participation in the All-State Concert and the County Chorus included some of the chorus members.

SENIOR CHORUS

This year the Senior Chorus under the new leadership of Miss George, is venturing into new and diversified activities. The first event which the chorus sang in was the dedication of the new Senior High School Building. During the Christmas season, the chorus did some caroling in Whitney Point and sang carols at the Christmas program. Also the chorus took part in a grade school Christmas play. A performance in the spring and an exchange concert with the Chenango Forks Senior High School completed plans for the year.

Interact

INTERACT

Interact is a worldwide, Rotary sponsored organization of young men interested in the promotion of international understanding. Interact would like to recognize and develop constructive leadership and personal integrity in its members. Also it would like to aid in furthering increased knowledge and understanding of community and World Affairs. Under the guidance of Mr. Corteville, Mr. Smith, and Mr. Mullins the group has sponsored roller skating, and a Dental Health Week and a Blood Bank to promote community health.

F.T.A.

FUTURE TEACHERS OF AMERICA

Future Teachers of America, under the guidance of Mrs. Greene, was organized for the purpose of learning about the opportunities, responsibilities, problems and importance of teaching, as well as the exploration of the requirements and preparation for being a teacher. To further this goal the group has participated in their district meeting at Spencer Van-Eten School, and exchange program of members participating in another school systems daily life and a trip to the State University of N.Y. The group learned a great deal from guest speakers who talked to them on student teaching and counseling. These interesting activities have proved to make it a rewarding year.

LIBRARY CLUB

The library club members work in the library on a day-to-day basis to be of assistance to the student body by helping them to use the library facilities to their fullest extent. They also aid the Librarian in keeping the entire system in working order. This involves the cataloguing of new books, pamphlets, magazines, and audio visual materials that are available for the use of the entire school body. The Pamphlet-clipping files are recent features that are being added to the library.

Future Homemakers of America

FHA goal is to aid individuals in improving personal, family and community living. They work toward this goal in and through their programs and activities. Their theme this year, "Health--a valuable asset" has enabled them to undertake many varied activities. The girls were honored at being the host school for the F.H.A. District Rally in the fall, in which Dina Hronis is a district officer. Their many interesting programs deal with subjects ranging from the care and styling of wigs to films on smoking and drinking and the ways in which it affects the body. Officers from the Binghamton police department spoke to the organization on drugs and ways to help those who are taking them. The future of FHA club promises to be a very interesting one with films, speeches and discussions on health and related topics. Everyone looked forward to the State FHA meeting in April, which encompassed the election of officers for the fall and their senior recognition picnic.

FUTURE NURSES

Future Nurses has brought together those who share interests in careers of nursing and in health in order to explore opportunities and requirements in these fields. Since Future Nurses has only been instituted this year many of its projects are still in the planning stages. These activities include lectures by various people from many branches of the medical field. Also various field trips are being planned to hospitals and clinics. These and other activities will form the foundation of this group.

National Honor Society

National Honor Society inducted its six new members in June 1968 at a ceremony in the Senior High Cafeteria at 7:00 PM. Senior members, Jon Burghardt and Lon Gumaer, conducted the initiation. This meeting was an Open House with all former N.H.S. members invited. A list of all Whitney Point members since the charter was granted March 20, 1943 was published in the Whitney Point Reporter. Many parents & members came to see the new members and this new building. Candidates are selected on their record of character, service, leadership and their scholarship. Added activities are not really necessary, since members display these 4 characteristics in their daily school life.

VARSITY CLUB

The Varsity Club, with Chris Lynch as President, realized many worthwhile projects during the school year. They sponsored their annual fund raising campaigns this season. The money realized from the candy sale during Thanksgiving vacation and the refreshment booth during the basketball season helps promote the annual banquet at the end of the year. The club also helps provide the Varsity Club blazer available to any member. This year the club invested in camera equipment to help make better film coverage of athletic contests.

Ski Club

SKI CLUB

Thirty-nine senior high students participated in the ski program this year. Approximately half of these students were participating for the second year. Skiing conditions this year were very good and the instructional staff was excellent. The staff at Greek Peak complimented the group on their cooperation and behavior. This is an excellent opportunity for students to receive competent instruction in the development of skills which will enable them to enjoy the sport as adults.

VARSITY FOOTBALL

The Varsity Football team started the season with only four lettermen from last years championship team. Of these four, three made the all-league first team and one made second team. The load was carried by a few veterans returning from the previous year's undefeated team. Chris Lynch, Roger Foley and Seth Irish made the all-league team at the end of the year. Seniors leaving this year are: the three all-star members, Tom Hibbard, Bill Van Dusen, Kyle Eggleston, Ron Potter, Ed Weinzierl and C. Fizette.

The high point of the season was the 13-7 victory over Chenango Forks who was leading the league at that time. This came the week after WP was beaten 46-7 by Windsor.

JUNIOR VARSITY FOOTBALL

Whitney Point Junior Varsity football team started well, winning two of its first three games. But lack of experience began to show as the team lost the last three games. Even in defeat there were some bright spots. After surrendering 24 points to Newark Valley in the first half, the team outplayed and held their opponents scoreless for the remainder of the game. The Homer game was well-played, scoreless at half-time. Only at the very end of the game, when Homer scored two long touchdowns, was the game out of reach. The 13-0 victory over Windsor was an excellent display of defense. The W.P. passing attack worked well, keeping the team in Windsor's territory all afternoon.

BOYS SWIM TEAM

For a first year swimming team, the Whitney Point boys gave a surprisingly good account of themselves. In five of the nine swim meets the winning team was not determined until the last two races. The boys made great improvement over the course of the season. Many of their individual performances were equal to all of the individuals on teams with two, three, and four years experience. The future is a bright one for Whitney Point swimming.

GOLF

1968 marked the first year of Interscholastic golf competition for Whitney Point. The Eagles entered competition in the fall with Ford Hill as their home course. All the matches were against Southern Tier Athletic Conference teams and the Eagles were impressive in competing against the larger and more experienced schools. The golfers registered wins over Chenango Valley and Seton and had close matches with Endicott and Maine-Endwell.

Low medalist this season was Rick Kotula followed by Bill Lewis. David Stearns was usually number 3 man with Bill Hill and Kurt Sprague completing the five man lineup. Sweden's foreign-exchange student Gunnar Friman and Neil Clark also competed

Baseball

VARSIITY BASEBALL-1968

This was definitely a year of building. Young inexperienced players made too many mistakes defensively and offensively. These cost the team games they should have won. Doug Adamek had a one nothing shut out, no hitter against Greene, on May 28. Incidentally, Coach Birmingham reported the team executed three double plays.

JV BASEBALL-1968

With a record of four wins and five losses, the team finished third in the league with three losses at the hands of Newark Valley and two wins and one loss record with both Chenango Forks and Greene. According to Coach Lubert, this is a team with several outstanding players who should provide Whitney Point with a fine varsity baseball team in the future.

The school record book continued to be re-written by Seth Irish in the 120 Yd. High Hurdles (:15.7). Dan Hibbard in the Pole Vault (12'). Bill Carman in the Long Jump. Seth Irish, Chris Lynch,

Ron Potter and Dan Hibbard set a new shuttle hurdle relay mark (:59.0) and Tom Hibbard, Bill Hill, Bill Eaton and Dan Dickinson set a new Distance Medley relay mark (11:30).

The following boys were Susquenango League champions: Seth Irish in the High Hurdles; Steve Macinsky in the Triple Jump and Ralph Canniff, Jeff Joslin, Chris Lynch and Bruce Baxter in the Sprint Medley relay.

Varsity Basketball

VARSITY BASKETBALL

The 1968-69 edition of the Whitney Point Varsity Eagles came on strong during the later part of the season to win 10 of the last 12 regular season basketball games. This was supposed to be a rebuilding year for the Eagles who were defending champions of the Susquenango League the past two seasons. The Eagles finished third this year with a league record of 9 wins and 5 losses and overall recorded a 13-7 record. This is most amazing after reviewing the early season predictions.

Inexperience and lack of height appeared to make this a lean year for the Eagles. After a slow start in which the

Eagles won only two of their first six games they started to move. The season was marked by exciting wins over Cortland Homer, Newark Valley, Walton, Chenango Forks and late season reversals over Greene, Sidney and Delhi. The Eagles finished third in the Homer Christmas Tournament and was awarded the Sportsmanship Trophy for the tourney.

Seniors on this year's squad were Bill Hill, Chris Lynch, Rick Kotula, David Gilmore and Seth Irish, who was eligible for only the first semester. Two sophomores were on the team this year, Jerry Marks and David Cotcamp. Juniors returning to form the nucleus for next year's team are Bill Lewis, Jim Poyer, Douglas Read and Mark Jones.

CROSS COUNTRY 1968-MR. KEITH REESTER

Fall 1968 was a rebuilding year for the Whitney Point Cross Country. The Eagle team, led by Captain Bruce Baxter, placed high in competition with area schools. The high point of the season came with the qualification of Bruce Baxter and Norman Lewis, a sophomore, for the State Meet in Long Island. The Junior High, fielding a team for the first time, showed much promise for the future.

Wrestling

WRESTLING

Coaching, like any other job, is bound to have its disappointments, and this year seems to have been the one to concentrate on wrestling. It is not so much the 3-10 record that aggravates, but rather the fact that at least four of the matches were lost in the matter of seconds only. This odd twist of fate coupled with injuries that required forfeiture of individual bouts, perhaps alleviate the disappointment to both

coaches and wrestlers. The season, however, ended in a blaze of glory by a magnificent win (which according to all prognoses was not destined to occur) over Chenango Valley.

With the loss, by graduation, of seven Seniors, the next two years will be rebuilding ones but the promise shown by this year's 7th and 8th graders should be cause for rejoicing in the wrestling camp.

FRESHMAN BASKETBALL

Whitney Point Freshman basketball team had a fine season, finishing with a 10-4 record. Included in this was an 8-0 record against Susquenango teams. This was the second year in a row that the team has achieved a fine record against its Sus opponents. The team was led by the scoring of Dan Hust and Gary Backus and the rebounding of Doug Tillotson.

JR. HIGH WRESTLING

Whitney Point's Jr. High Wrestling Team had a very successful season this year. The final team record was 6 wins and only 2 defeats. Wins included victories over Windsor, Homer, Cortland, & Ithaca.

The most outstanding wrestlers on the team were Jack Glezen, Jeff Glezen, Bob Quarella and Dave Smith. Together these 4 boys only lost 3 matches with Jack Glezen and Dave Smith remaining undefeated. The wrestler who showed the most improvement during the season was Ken Short.

The entire team worked very hard and in a few years you will see these boys wrestling on the Varsity team.

Susquenango League Sportsday was held at Chenango Forks on May 15, 1968 with Greene taking first place honors; Whitney Point, Chenango Forks and Newark Valley all tying for second place. The girls played under poor conditions as it was cold, wet and windy. Kathy Greenmun and Lon Gumaer received the League Honor Player Awards for their fine playing.

GIRLS TRACK

League Track Sportsday was again held on WP fairgrounds on May 25, 1968. The girls placed first after a close race with Windsor. Janice Abbott set a new League Standing Broad Jump record of 7'10", and the 440 yd. relay team chopped 1.6 seconds off the old record for a new league record of 56.0 seconds. The team consisted of Janice Abbott, Chris Hibbard, Diane Houghton, and Ann Leahy. This same relay team participated in Sidney on June 15, 1968 in the Knights of Columbus Meet.

JUNIOR HIGH GIRLS-SOFTBALL AND TRACK

Softball and track and field were the two intramural activities offered during the spring season. There was a great deal of interest in both these activities with over ninety participating in each sport.

In softball the girls divided into teams and played the other teams in intramurals. Girls were also given the opportunity to play in sportsdays at other schools. The two schools we played last year were Greene and Windsor.

In track and field the big event was the league meet which was held on the Fair Grounds. Much time and effort was put in by the girls who worked to compete and bring the first place trophy to W.P. Junior High team.
